### WHY IT PAYS

TO ADVERTISE IN  
THE CHIEFTAIN

It is in its 23rd year.  
It has a daily and weekly circulation  
throughout the two territories which  
are soon to be the new state.

It reaches all the inland towns  
and goes where the drummer and  
agent cannot go.

It is eagerly sought after by  
prospective settlers in this country;  
people looking for a home, a position  
or a business opening.

An ad in its columns will work  
more effectively and persistently  
than any personal solicitor you can  
employ. It will work longer hours,  
asking no pay for overtime.

The Chieftain is the best advertising  
publication in this latitude  
at this time and will continue to  
be chief and best for many years  
to come.

The reason that coughs and colds produce  
constipation and weaken the  
lungs is because they interfere with  
all digestion. That new discovery  
known as Kennedy's Laxative Honey  
and Tar cures all coughs, croup, whooping  
cough and assists in expelling  
colds from the system by gently moving  
the bowels. It is pleasant to take  
and contains no opiates. Sold by  
People's drug store. dw

E. O. Stevenson will buy your second  
hand furniture. 80tf

### YOU TRAVEL-OR WILL

If not today, then tomorrow. There is quality  
in railway travel as in everything else.  
Track, trains and time are the secret. The  
M. K. & T. has that quality. I want you to  
know it. Try it and be convinced. At this  
time of the year you are probably thinking  
about a winter trip. I suggest the Gulf Coast  
of Texas, San Antonio, Old Mexico or California,  
as being about as nearly perfect as climate  
and environment can make them. I  
have some very attractive literature about  
these resorts that I'd like to send you. May I?  
I'd rather talk to you, but if this is impossible,  
drop me a line and I'll be pleased to  
give you all the desired information. There  
are some special inducements too. In the way  
of rates and through Katy Shoppers that I'd  
like you to know about. Write today.

### A DUTY WOMEN OWE THEMSELVES.

"Good actions speak louder than words,"  
so too, does the testimony of many thou-  
sands of women during a  
third of a century speak  
louder than mere claims  
not backed by a guarantee  
of some kind. That is  
the reason why the pro-  
prietors of Dr. Pierce's  
Favorite Prescription  
are willing to  
offer \$500 reward  
for women who can-  
not be cured. Such a  
remarkable offer  
is founded on the  
long record of cures  
of the disease, and  
weaknesses, per-  
taining to women. If  
there is an invalid  
woman, suffering from female weakness,  
prolapse, or falling of womb, or from leu-  
corrhoea who has used Dr. Pierce's Favorite  
Prescription without complete success, the  
proprietors of that medicine would like to  
hear from each person—and it will be to  
her advantage to write them as they offer,  
in perfect good faith, a reward of \$500  
for any case of the above maladies which  
they cannot cure. No other medicine for  
women's life is possessed of the unparal-  
leled curative properties that would war-  
rant its makers in making such an offer.

The Sisters of the Good Shepherd, at their  
convent, "Our Lady of the Woods," Carthage,  
Ohio, are a great deal of Dr. Pierce's medicine;  
they say, in a recent letter to Dr. Pierce: "We  
beg to assure you of the great benefit these  
medicines give our young ones. We cannot  
sufficiently recommend their excellence."

When the druggist says he has some-  
thing that is as good as Dr. Pierce's Favorite  
Prescription, just tell him, "There's  
nothing just as good." He says so because  
he hopes to make a better profit but his  
own mixtures have not stood the test of  
long experience and success that Doctor  
Pierce's medicines have. Then, too, many  
patent medicines advertised as tonics, con-  
tain large quantities of alcohol. Dr. Pierce  
guarantees that his "Prescription" does  
not contain a particle of alcohol.

Dr. Pierce's Common Sense Medical Ad-  
vice—sent on receipt of 21 one-cent stamps  
for a copy in paper; it stamps in cloth bind-  
ing. Address Dr. R. V. Pierce, Buffalo, N. Y.  
It is a good thing to keep Dr. Pierce's  
Famous Pills in the house. One Pill  
is a laxative, two a mild cathartic.
